

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

HODELL-NATCO INDUSTRIES, INC.,)	CASE NO. 1:08-CV-2755
)	
Plaintiff,)	JUDGE LESLEY WELLS
)	
v.)	
)	EXHIBIT RE-NUMBERING APPENDIX
SAP AMERICA, INC., et al.)	
)	
Defendants.)	

This Appendix is intended to clarify which Plaintiff's Trial Exhibits will be admissible at trial, either because either: (1) the Court has already overruled SAP's objections to them in its Order filed February 11, 2015 [ECF #279]; or (2) any objection by SAP has been waived under Fed.R.Civ.P. 26(a)(3)(B) by SAP's failure to object to them in its Exhibit List Objections filed October 7, 2014 [ECF #228].¹

Hodell's original Exhibit List was filed September 24, 2014 [ECF #211], identifying Trial Exhibit Numbers 1 through 293. The Court's Order regarding the admissibility of exhibits was filed February 11, 2015 [ECF #279] and referenced Hodell's using the numbers designated on ECF #211.

On February 17, 2015, per agreement of the parties, Hodell filed a revised Exhibit List [ECF #285] reflecting the numbering convention agreed to by the parties: any documents marked as an exhibit during a deposition would retain the deposition exhibit number, and any new exhibits identified by Hodell that were not marked at a deposition would be given a unique

¹ Fed.R.Civ.P. 26(a)(3)(B) provides: "Within 14 days after they are made, unless the court sets a different time, a party may serve and promptly file a list of the following objections: any objections to the use under Rule 32(a) of a deposition designated by another party under Rule 26(a)(3)(A)(ii); and any objection, together with the grounds for it, that may be made to the admissibility of materials identified under Rule 26(a)(3)(A)(iii). An objection not so made--except for one under Federal Rule of Evidence 402 or 403--is waived unless excused by the court for good cause."

exhibit number beginning with 600. Accordingly, in order to avoid any confusion, Hodell is submitting this Appendix of exhibits already determined to be admissible at trial, reflecting the prior exhibit number (i.e., the number referenced in the Court's Feb. 11, 2015 Order) and the new exhibit number reflected on Hodell's Trial Exhibit List.
